BAR EQUIPMENT

A copper Boston shaker cocktail shaker is the central focus, positioned on the left side of the frame. The shaker is highly reflective, showing highlights and shadows that define its cylindrical shape and the textured surface of its lid. The background is a dark, mottled blue-grey with a rough, painterly texture. Scattered throughout this background are numerous small, out-of-focus circles of light in various colors, including purple, yellow, blue, and white, creating a bokeh effect. On the right side, a large, dark purple oval contains the text 'COCKTAIL / BOSTON SHAKER' in white, bold, sans-serif capital letters.
